

Remote Desktop Portal

Step-by-Step Guide for Android

android 

*These instructions are for both staff and students using an
Android Phone or Tablet.*

*Please ensure your device is fully up-to-date before
contacting IT Services for further help.*

Open the Google Play app on your device, search for 'Microsoft Remote Desktop' and install the application.

Open a web browser on your device and go to <https://desktop.burycollege.ac.uk>.

Enter your college credentials and click 'Sign In'.

Click the 'Staff Desktop' or 'Student Desktop' icon and click 'Download' and then 'Open'.

The below screen will then appear and start to connect.

It will then prompt you to enter your college credentials and the username needs to have 'burycollege' before it eg.

burycollege\studentID

or

burycollege\firstname.lastname

Click '**Connect**' which will then log you in.
