

# Remote Desktop Portal with MFA

## *Step-by-Step Guide*

The Remote Desktop Portal allows you to access a desktop experience and gives access to your files, shared areas, Office applications and limited web browsing (Canvas VLE and Office 365). You can access this on any device with a web browser (e.g. Microsoft Edge, Google Chrome, Safari, Firefox), however, for the best experience we recommend using it on a desktop/laptop computer or tablet and not a mobile device.

This service is secured with MFA and so you will be required for additional authentication using your MFA methods set-up in your Office 365 account. If you haven't already set these up, please refer to the **Office 365 MFA & SSPR** guide on the 'How to' section of the website - <https://burycollege.ac.uk/information/remote-access-how-to/>

# Step 1 - Signing into Office 365

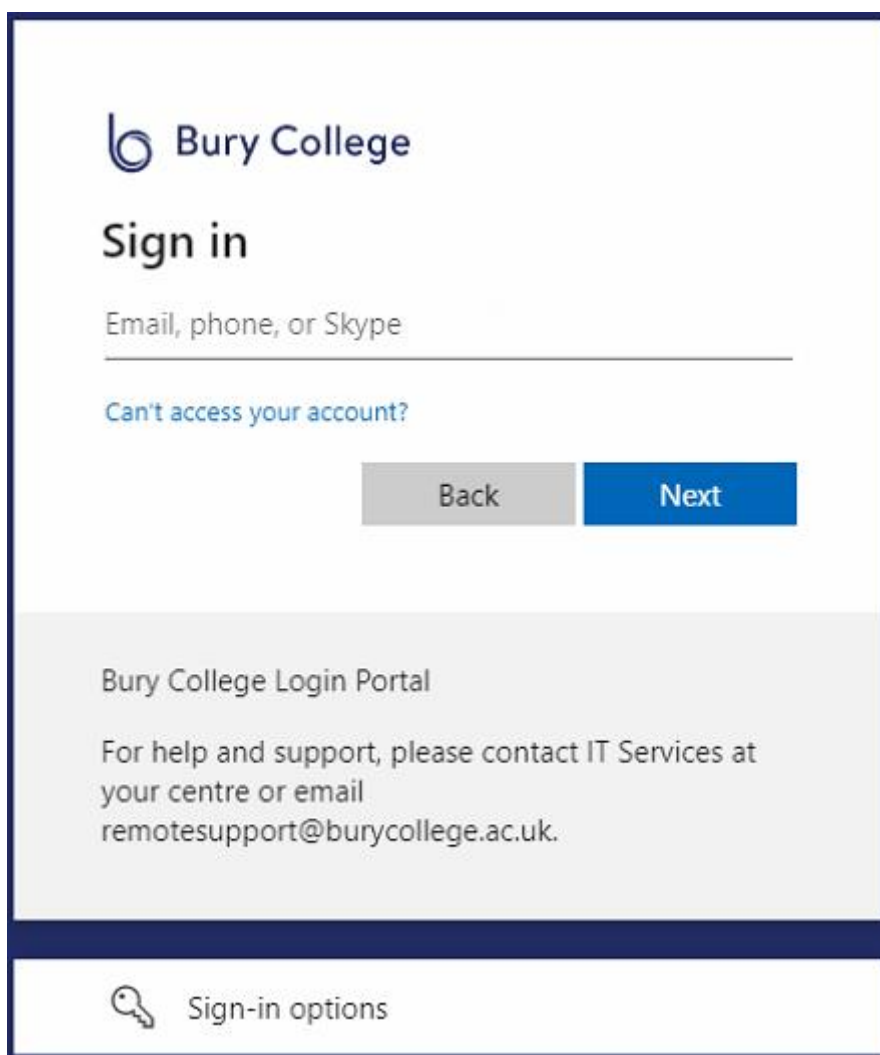

Go to <https://desktop.burycollege.ac.uk>

You will be prompted to sign into Office 365.

Enter your college email address as below and click 'Next'.

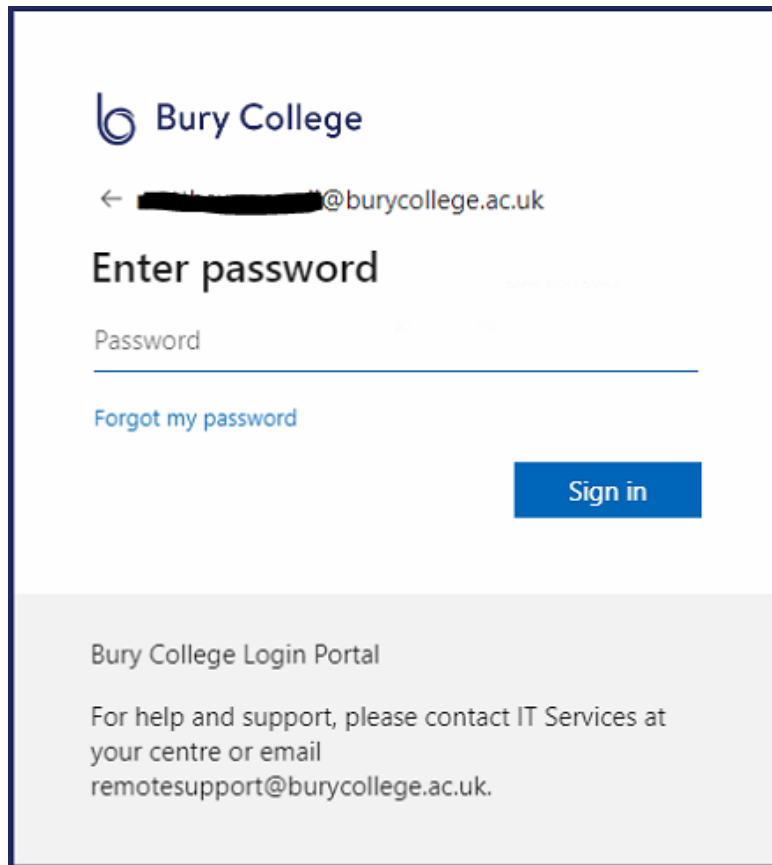

Staff - `firstname.lastname@burycollege.ac.uk`

Students - `studentID@student.burycollege.ac.uk`

The screenshot shows the Bury College Sign in page. At the top left is the Bury College logo, a stylized 'b' inside a circle, followed by the text 'Bury College'. Below this is the heading 'Sign in'. Underneath is a text input field with the placeholder text 'Email, phone, or Skype'. Below the input field is a link that says 'Can't access your account?'. At the bottom of the input area are two buttons: a grey 'Back' button and a blue 'Next' button. Below the input area is a grey box containing the text 'Bury College Login Portal' and 'For help and support, please contact IT Services at your centre or email [remotesupport@burycollege.ac.uk](mailto:remotesupport@burycollege.ac.uk)'. At the bottom of the page is a dark blue bar with a key icon and the text 'Sign-in options'.

Now enter your college password and click 'Sign in'

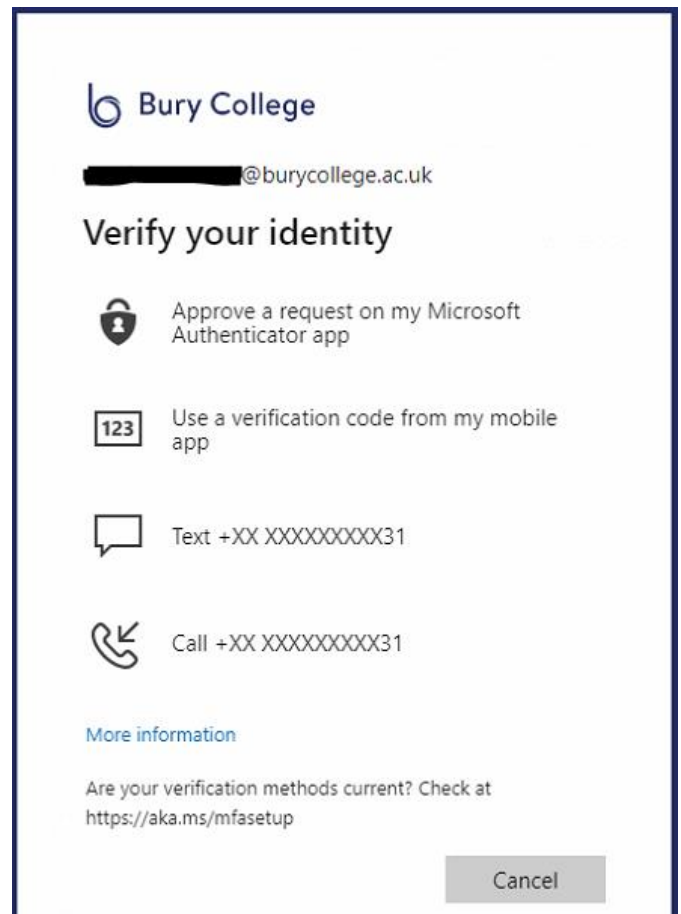

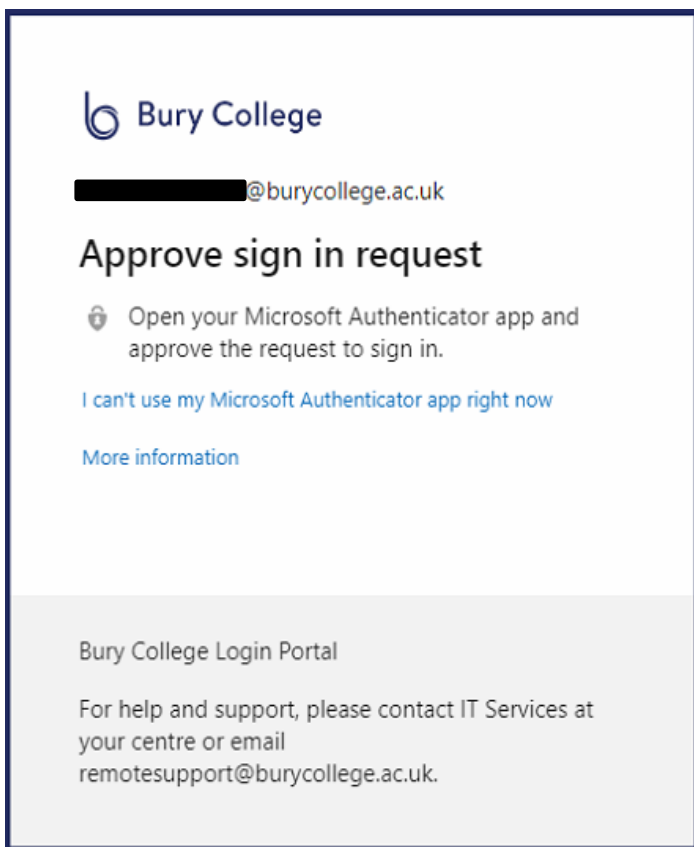

The screenshot shows the Bury College Login Portal. At the top left is the Bury College logo, a stylized 'b' inside a circle. To its right is the text 'Bury College'. Below the logo is a back arrow and a redacted email address ending in '@burycollege.ac.uk'. The main heading is 'Enter password'. Below this is a password input field with a 'Password' label and a blue underline. To the right of the input field is a small eye icon for toggling visibility. Below the input field is a blue link that says 'Forgot my password'. To the right of the input field is a blue button with the text 'Sign in'. At the bottom of the page, there is a grey footer area with the text 'Bury College Login Portal' and 'For help and support, please contact IT Services at your centre or email remotesupport@burycollege.ac.uk.'

**Please note**, if you haven't already set-up your MFA methods, you will be prompted that more information is required, and then click 'Next' to continue and follow the steps.

Further help and instructions for setting this up are available on the 'How to' section of the website - <https://burycollege.ac.uk/information/remote-access-how-to/>

You will now be prompted to approve your sign in using your authentication method (authenticator app, text message or phone call).

If you need to use another method other than the default authenticator app, click 'I can't use my Microsoft Authenticator app right now' and choose another method from the list.

## Step 2 - Signing into Remote Desktop Portal

Once you have authenticated, you will then reach the Remote Desktop Portal login screen.

Enter your college username and password as below and click 'Sign in'.

Staff - firstname.lastname

Students - studentID

Sign in
